3) Read and complete the text with words from the following list :-

(information – responsibility – looking – permission – taking)

Asmaa started working day and night. She also made sure to use the internet safely while (1)……. for ideas, remembering her digital (2)……. . She asked for (3)……. before downloading anything and never shared her personal (4)…….

3) Read the following text then answer the questions:-

Gen Alpha is the youngest generation today. They were born after 2010 and are growing up with technology all around them. They are sometimes called digital natives because they use tablets, phones, and computers from a very young age. Gen Alpha loves to explore new apps and games. They also like to communicate with friends using emojis and short messages. But teachers and parents often remind them to balance screen time with real-life activities. For example, they are encouraged to play sports, read books, or join fun activities in the community. Gen Alpha is powerful in shaping new trends, such as sharing memes or creating videos. They are currently changing the way people connect with each other across the world.

A) Choose the correct answer from a, b, c, or d:-

1) The main idea of the passage is that Gen Alpha
